Cut in Grants to Universities

868. SHRI N. E. BALARAM :
SHRI N. GIRI PRASAD :

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the University Grants Commission had agreed to reconsider its decision to cut its grants to universities; and

(b) if so, the details thereof and the reasons for delay in taking a final decision thereon ?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPARTMENT OF EDUCATION AND DEPARTMENT OF CULTURE) (KUMARI SELJA) : (a) and (b) Central Universities are fully funded by the Central Government through the University Grants Commission (UGC). A major share of UGC's Non-Plan budget is made available to Central Universities and Delhi Colleges for their maintenance expenditure. Keeping in view the present constraint on the availability of financial resources, Government had decided to maintain the level of Non-Plan expenditure of all Ministries/Departments and autonomous bodies during 1992-93 at the level of last year. This had imposed resource constraints on UGC as well as Central Universities.

In order to consider measures to mitigate the financial difficulties being faced by them, the Minister of Human Resource Development held consultations with Chairman, UGC and Vice-Chancellors of Central Universities in July, 1992. On the basis of these consultations, it has been decided in principle to provide additional grants to

UGC in the current financial year to enable it to meet the essential requirements of these institutions. UGC has since informed the Central Universities, Deemed Universities and Delhi Colleges that, in the current financial year, they would be provided 7.5% more grants for the salary component and 5% more for non-salary component over and above the non-plan grants sanctioned to them in 1991-92. However, grants for meeting the pensionary liabilities would be provided on actual basis.
